INTRODUCTION

We are thrilled to announce our PMI Manitoba Job Fair 2026, taking place on June 16, 2026, from 2:30 PM to 8:00 PM at the Viscount Gort Hotel.

This event is a collaborative effort by PMI Manitoba and IIBA Winnipeg, aimed at strengthening the Manitoba workforce and preparing candidates for the workplace.

Our 2025 event was a tremendous success, attracting over 222 attendees from the local business analysis, project management, and IT communities, including professionals, students, and employers.

The event brought together experienced professionals, longstanding IIBA and PMI members, and new IT professionals to network, celebrate local achievements, and learn about the latest developments in leading Winnipeg organizations.

This year, with the same enthusiasm, the Project Management (PMI) Manitoba Chapter and IIBA Winnipeg are partnering once again to host another impactful Job Fair and Networking Event.

COMPANY PITCHES & PRIZE DRAWS

At the start of the evening, each exhibitor will have the opportunity to deliver a 60-second pitch to introduce their organization to attendees. This is your chance to make a memorable first impression and encourage visitors to stop by your booth.

Exhibitors are also invited to host their own prize draws during the event. These are a fun and effective way to drive booth traffic and engage attendees. If you plan to run a prize draw, let us know in advance — we'll assign you a dedicated time slot near the end of the event to announce your winner publicly.
